as detailed against them and that these Taluks are not yet free from plague as places become newly infected now and again The already infected villages which have been evacuated require to be disinfected before reoccupation is permitted

Under these circumstances and on account of the smallness of the Establishment now given to the said Taluks Undersigned thinks it not advisable to disturb the present distribution

Requests therefore that the additional staff applied for in this office letter No. 38 dated 8th October 1901 may kindly be sanctioned
